

# Triton Marching Alliance: Intent Form

Planning for the upcoming **2017-2018 Triton Marching Alliance** school year takes place now. To get a better read on next year's group I am asking everybody to sign an intent form. This is a **commitment** form to secure your spot in the Triton Marching Alliance for next school year.

**By signing this form you are making sure the following has been completed:**

- (1) You and your parents have reviewed the "Instrumental Music Registration Packet."
- (2) Noted all BAND CAMP dates on your home calendar. (Aug 14-18 only 1 week this year.) **Competitions are on Saturdays in October and November.**
- (3) Note: Percussion and Color Guard have rehearsals during the summer. Info will be given out at the workshops. Workshops are the week of May 16<sup>th</sup>
- (4) Cleared out your schedule to make November 4<sup>th</sup> free all day. We are hosting our 4<sup>th</sup> annual Marching Band tournament and need everyone's help that day. We also perform in the evening!
- (5) Secured a spot in a year-long music class next school-year. (A music class is required to participate in Marching Band if you play a wind or percussion instrument.)
- (6) Made sure your instrument is in working condition.
- (7) Set time aside for practice on a weekly basis. Our success relies on a combined effort from everyone.
