

SAN CLEMENTE HIGH SCHOOL
TRITON
INSTRUMENTAL MUSIC

Dear Parents:

As many of you may have heard by now, the **San Clemente High School Band and Orchestra will be traveling to New York City**, “The Performing Arts Capital of the World”, from March 29- April 2 2018, to participate in a Performing Arts Tour featuring our once in a lifetime **performance at Carnegie Hall!**

We have again teamed up with *Educational Discovery Tours* to design a trip that will not only be a fun, milestone opportunity for our students, but also a solid educational program designed to support the goals of our program. For over 40 years, *Educational Discovery Tours* has worked with students, parents, teachers and administrators providing memorable and safe educational trips for students across the nation.

In addition to the highlight of the tour – our **performance at Carnegie Hall** – your son or daughter will experience the many highlights that the “Big Apple” has to offer and will see: **Manhattan, Times Square, the Statue of Liberty, Ground Zero, Wall Street, the Rockefeller Center**, Central Park, Harlem, the **Lincoln Center of Performing Arts**, and much, much more. We will also have the opportunity to see a **Broadway Show**. *See the registration forms for the full list of inclusions.*

Our tour will be led by experienced **24/7 Trip Leaders** on each coach who, in addition to handling the logistics of the tour and keeping our students safe, will bring this city to life culturally and historically!

By planning early, we will be able to divide the total cost of the trip into lower monthly payments, making it as affordable as possible for the families. Plus, we will have ample time to conduct fundraising efforts throughout the year that will help offset the cost of this trip.

Please see the tour **Registration Form** to learn more about this exciting trip, and **be sure to register for the tour before the registration date – April 18 2017.** If you do not have a form, please contact me, or our tour company – Educational Discovery Tours at 1 800 544 4723 and request one.

I look forward to offering this rewarding opportunity to the hard-working San Clemente High School students and encourage your student’s participation in this memorable, once in a lifetime event!

Feel free to contact me with any questions.

Sincerely,

Tony Soto
